1 Answers to Question 7

Some sources of data that I find interesting include:
- Stock data
- Automating and compiling Earnings reports from Public Firms
- Other money market securities
- Google Maps data (e.g. drive times, distances from point a to point b)

2 Questions to Other Parts of PS4

5.d:
- Type of data object for mydf/players: data.frame

6.4:
- df1: data.frame
- df: SparkDataFrame

6.5:
- Error in (function (classes, fdef, mtable) : unable to find an inherited method for function 'select' for signature '"data.frame", "Column"'
- It is likely that the format of the two objects conflict with the command given. The command needs to be formatted to data.frame

6.6:
- Error in (function (classes, fdef, mtable) : unable to find an inherited method for function 'filter' for signature '"data.frame", "Column"'
- It is likely that the format of the two objects conflict with the command given. The command needs to be formatted to data.frame
